Basic Statistics

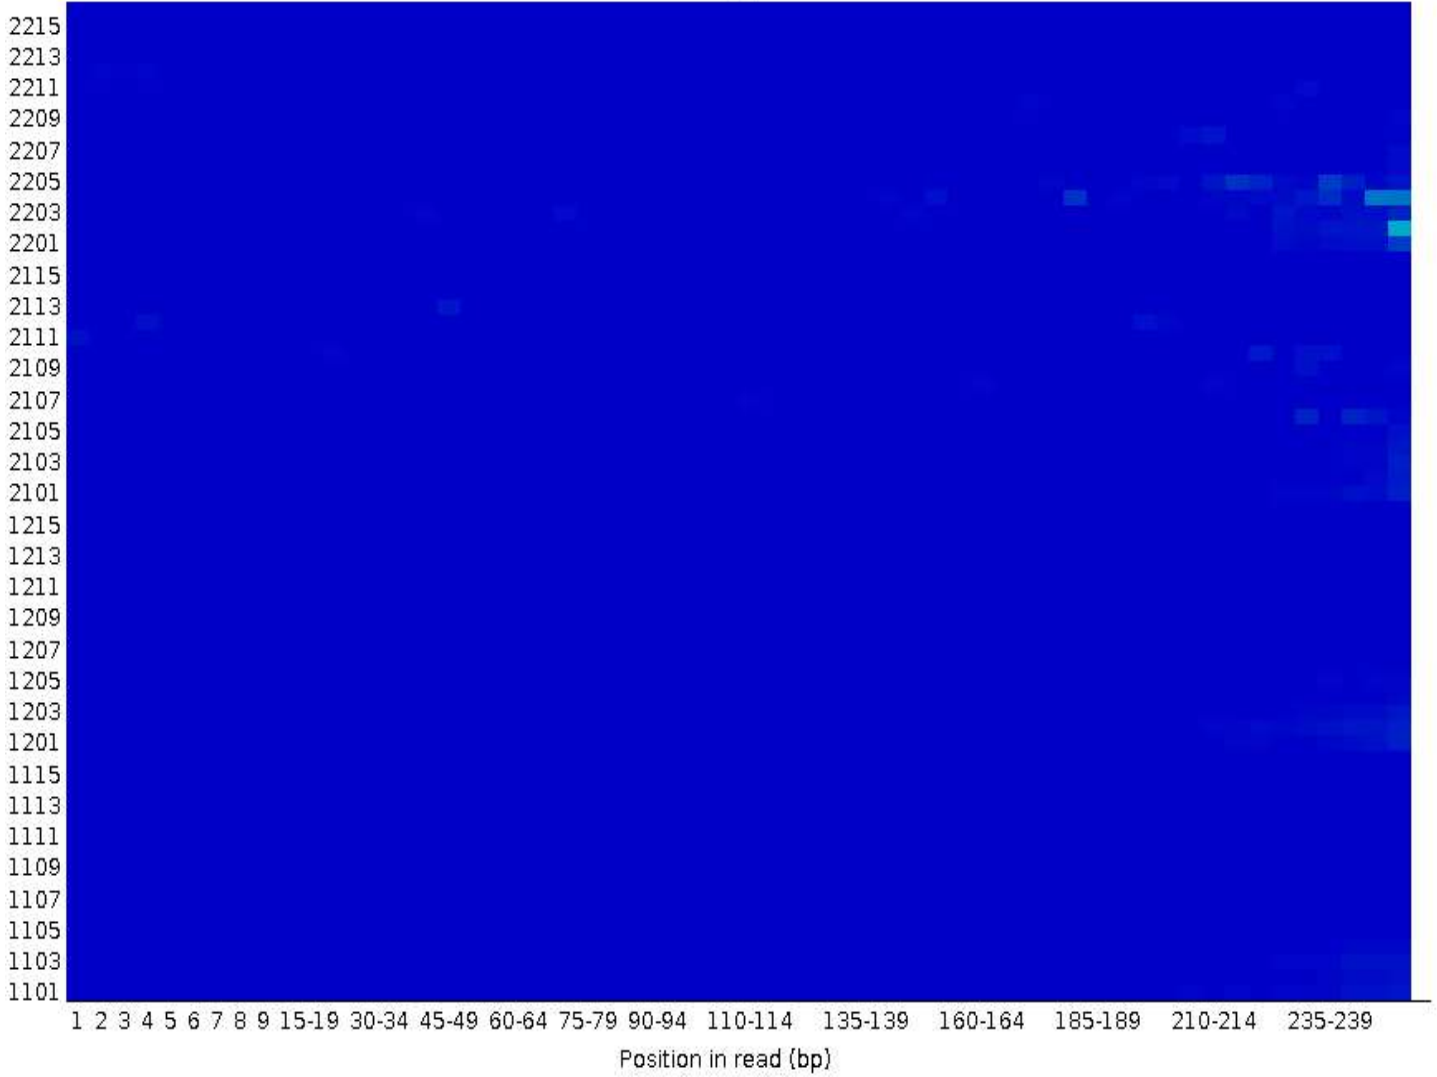

Measure	Value
Filename	10_EC092_R1_PE_fastpCleaned.fastq.gz
File type	Conventional base calls
Encoding	Sanger / Illumina 1.9
Total Sequences	12347656
Sequences flagged as poor quality	0
Sequence length	31-251
%GC	51

✔ Per base sequence quality

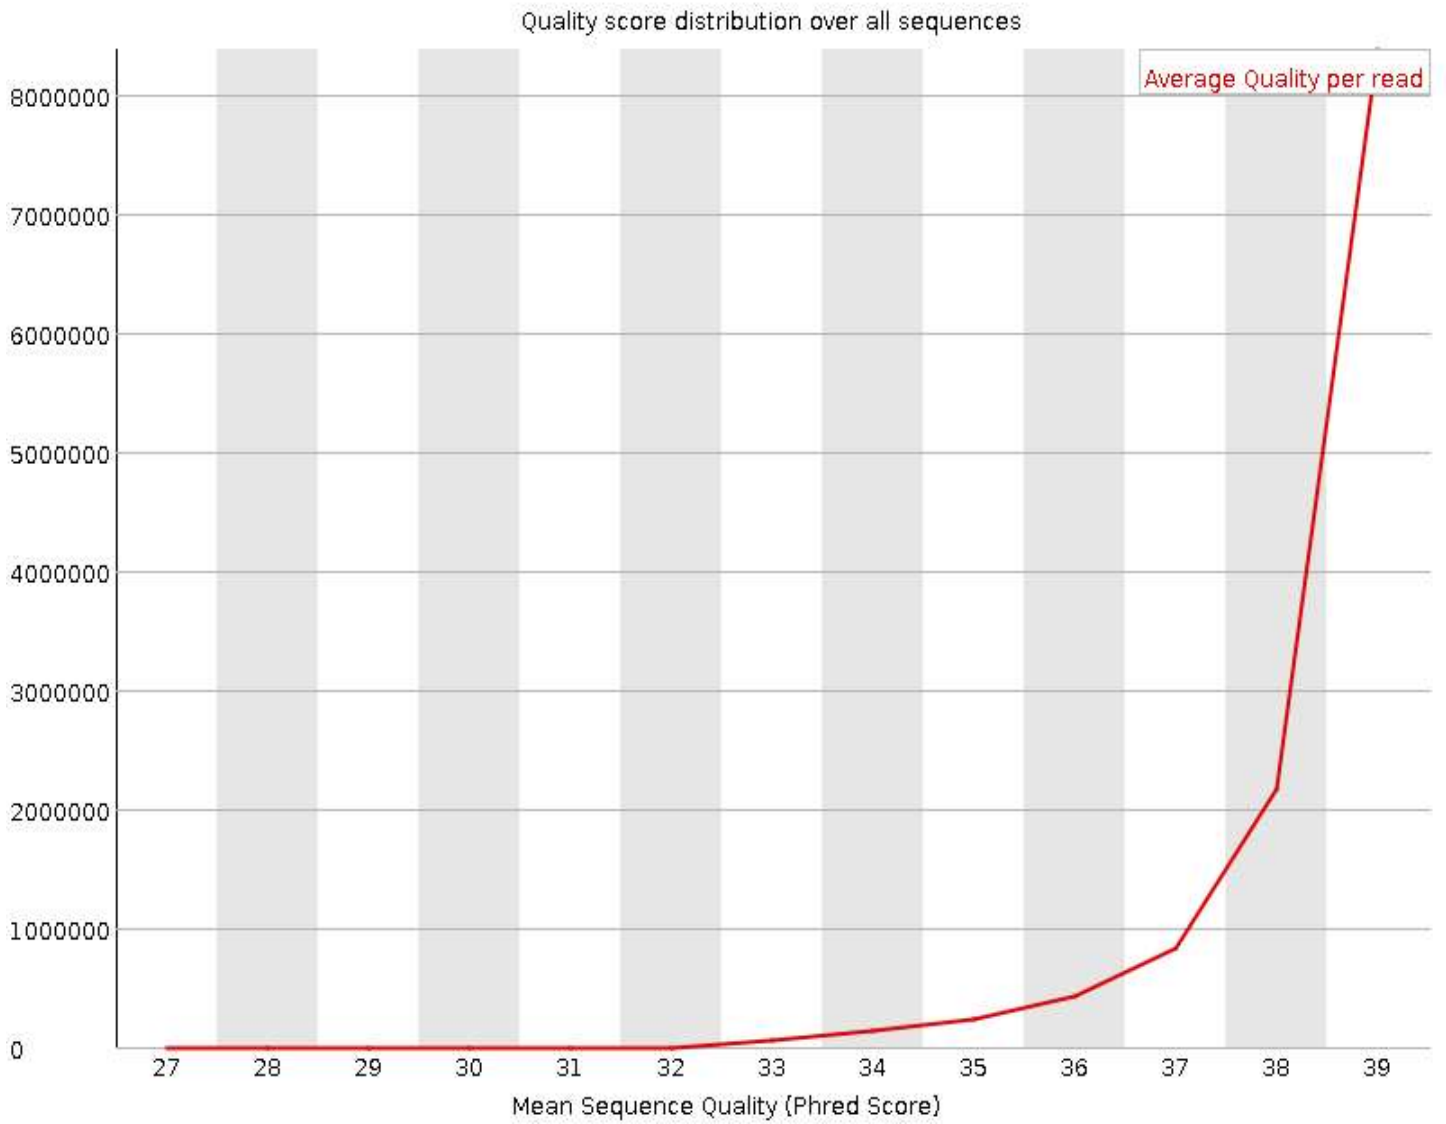

✔ Per tile sequence quality

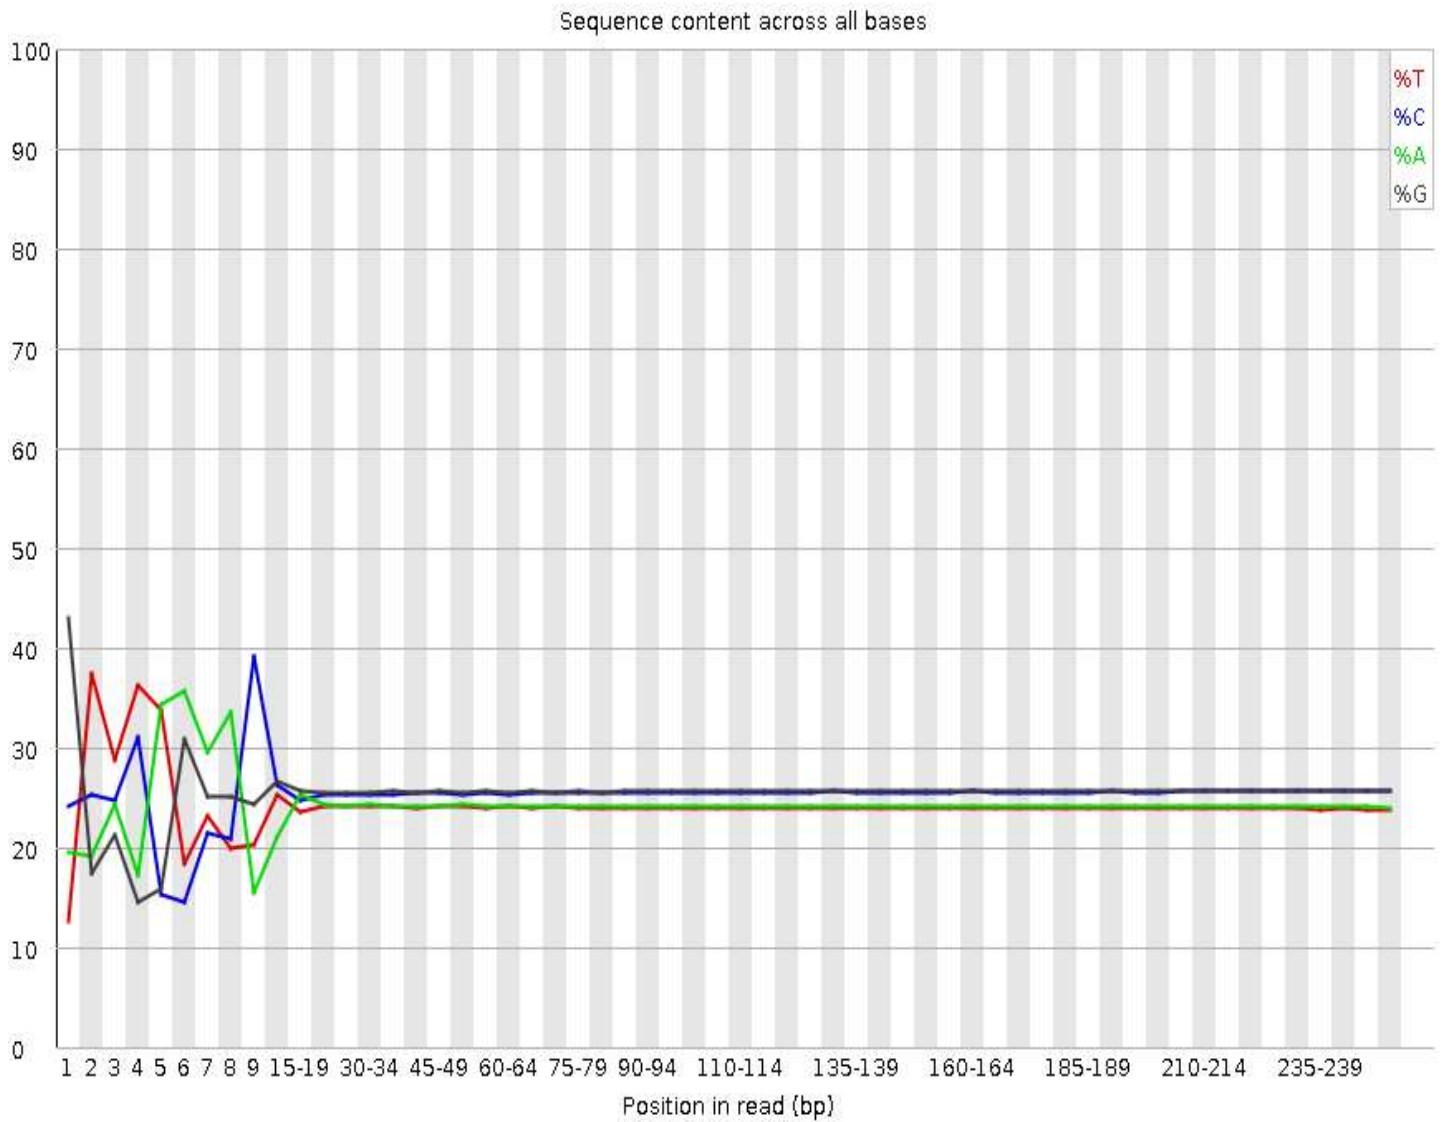

Quality per tile

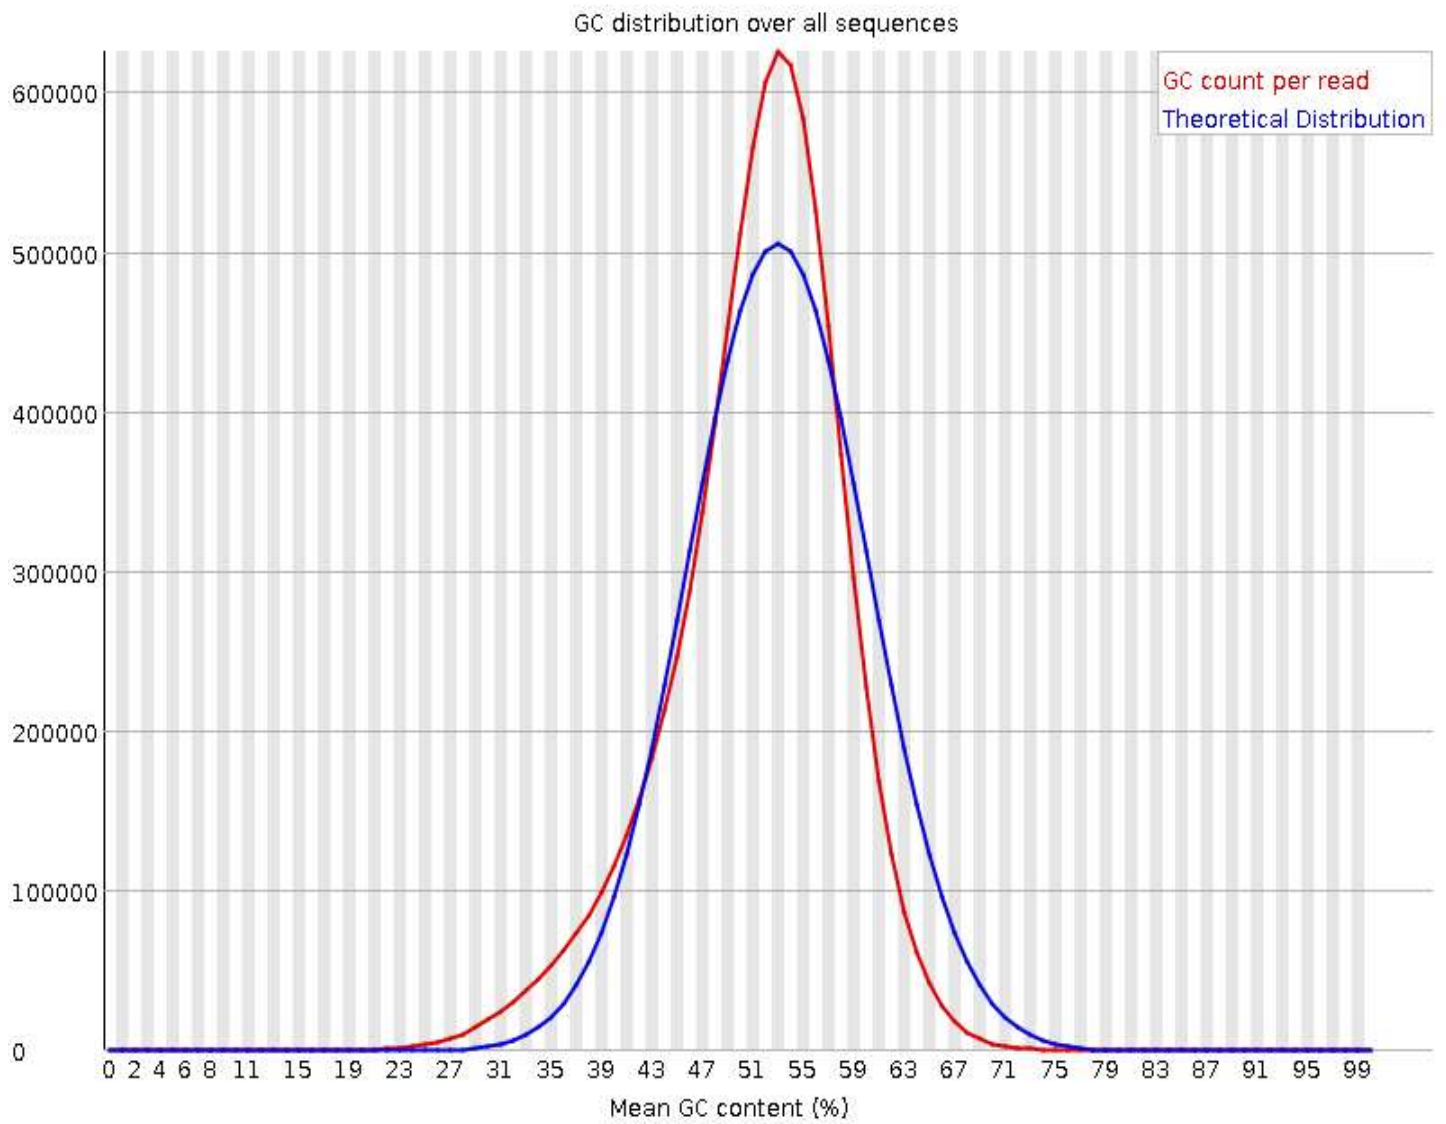

✔ Per sequence quality scores

! Per base sequence content

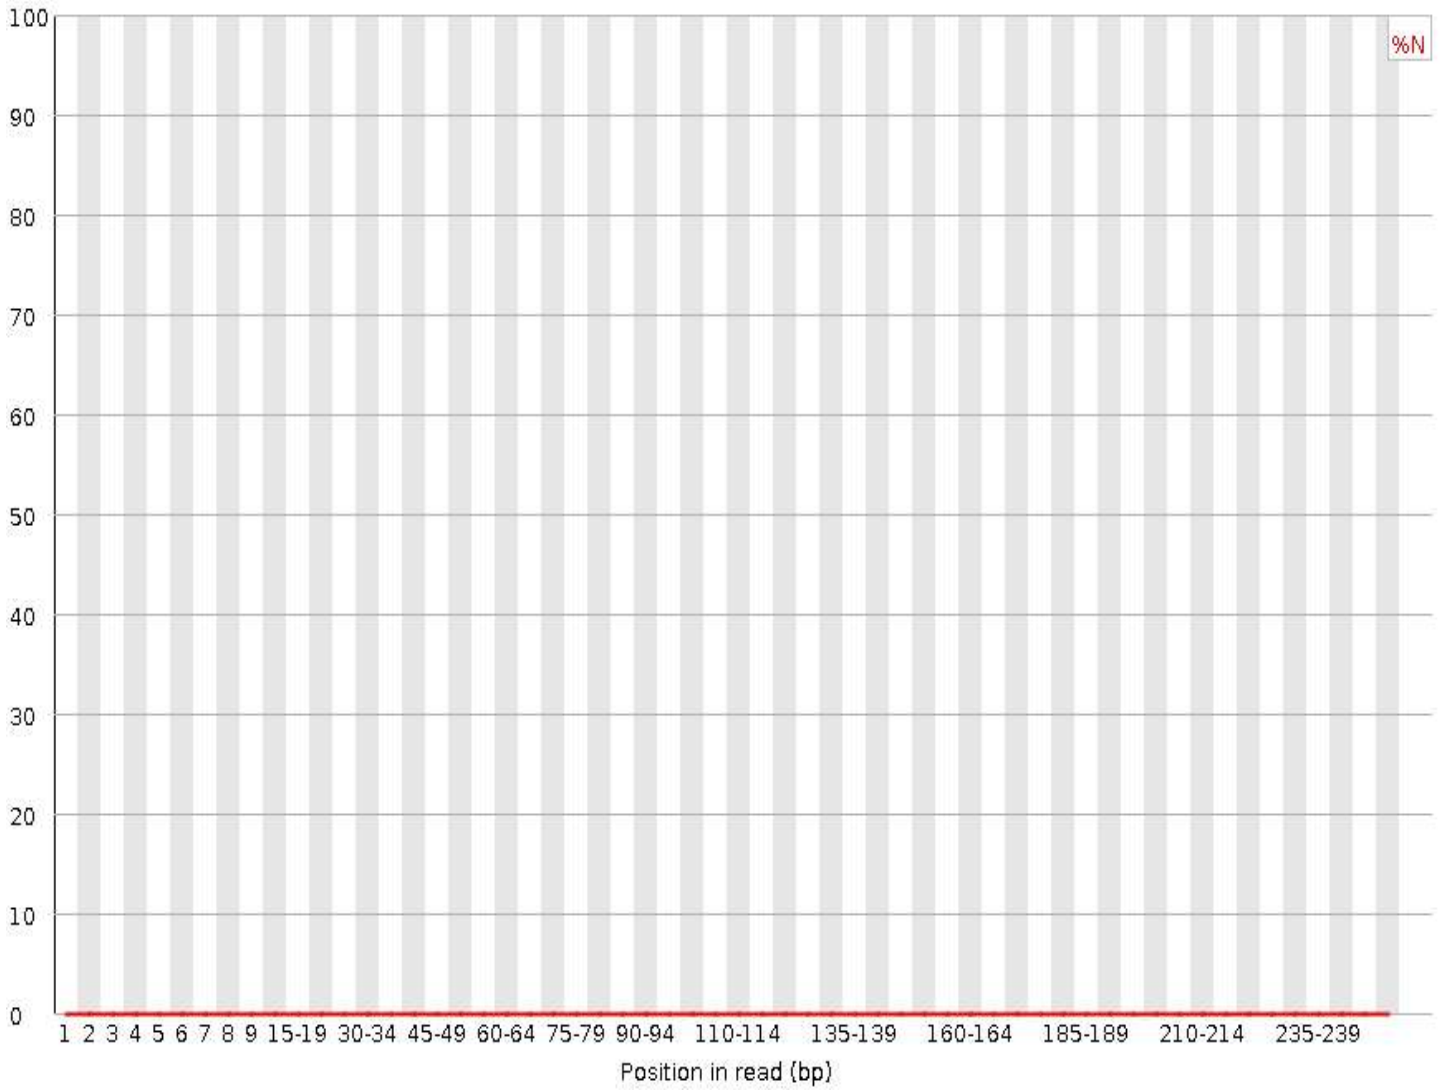

! Per sequence GC content

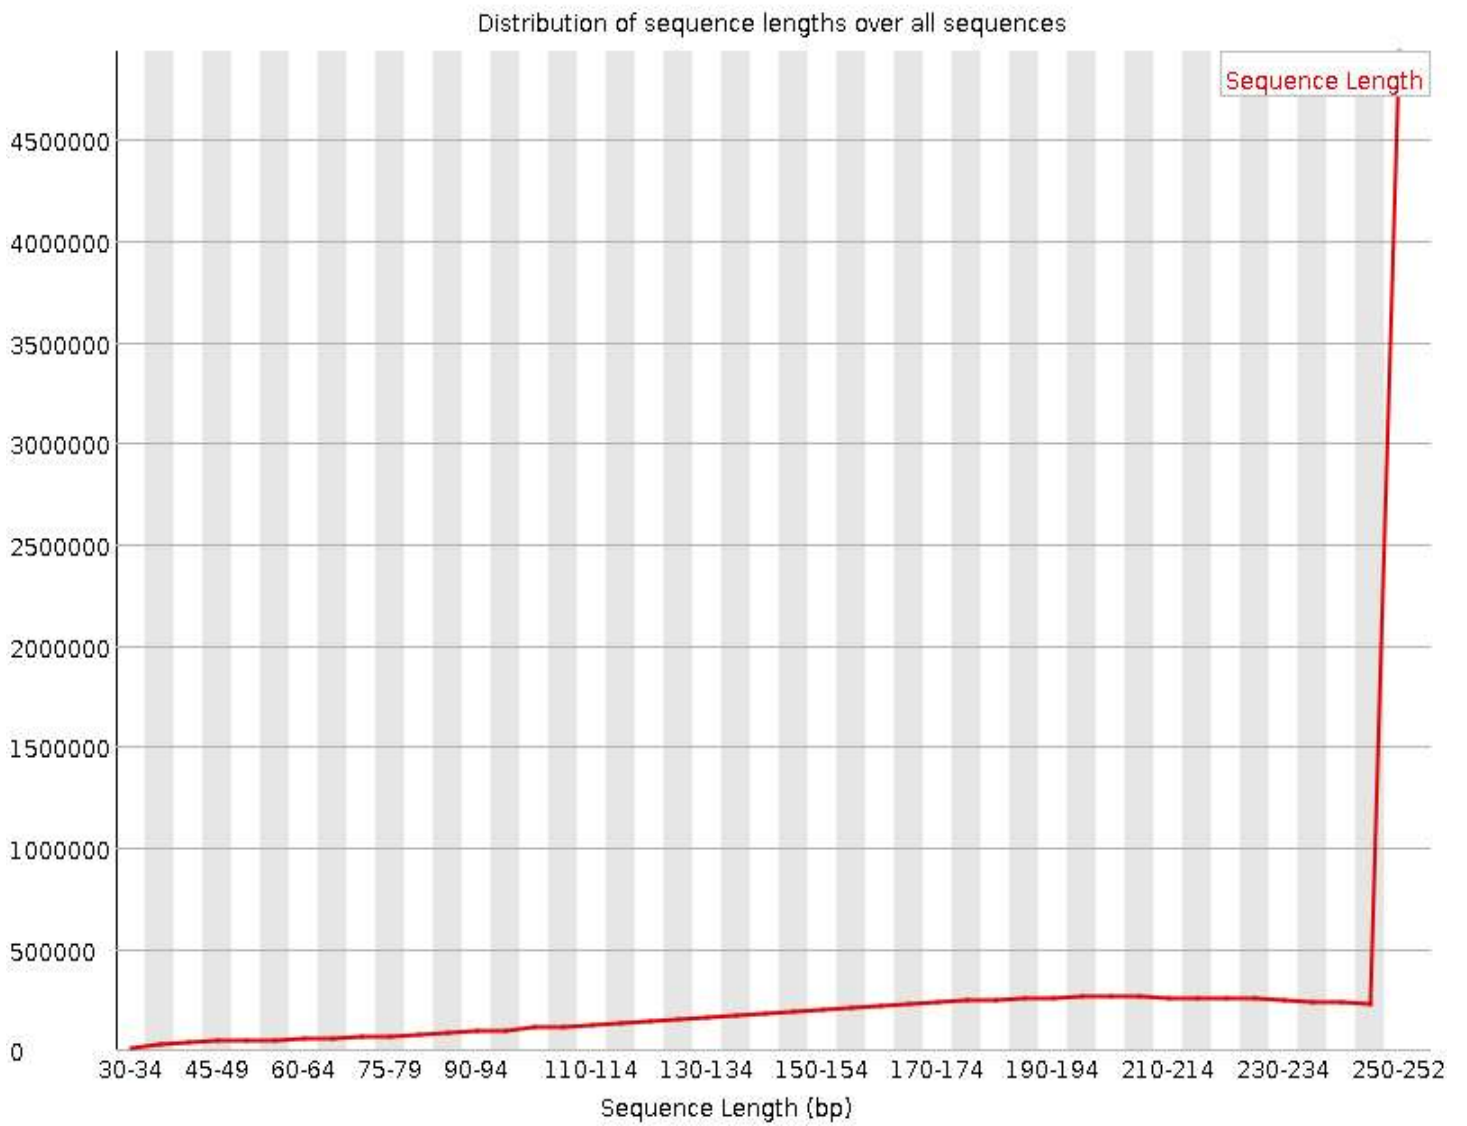

Per base N content

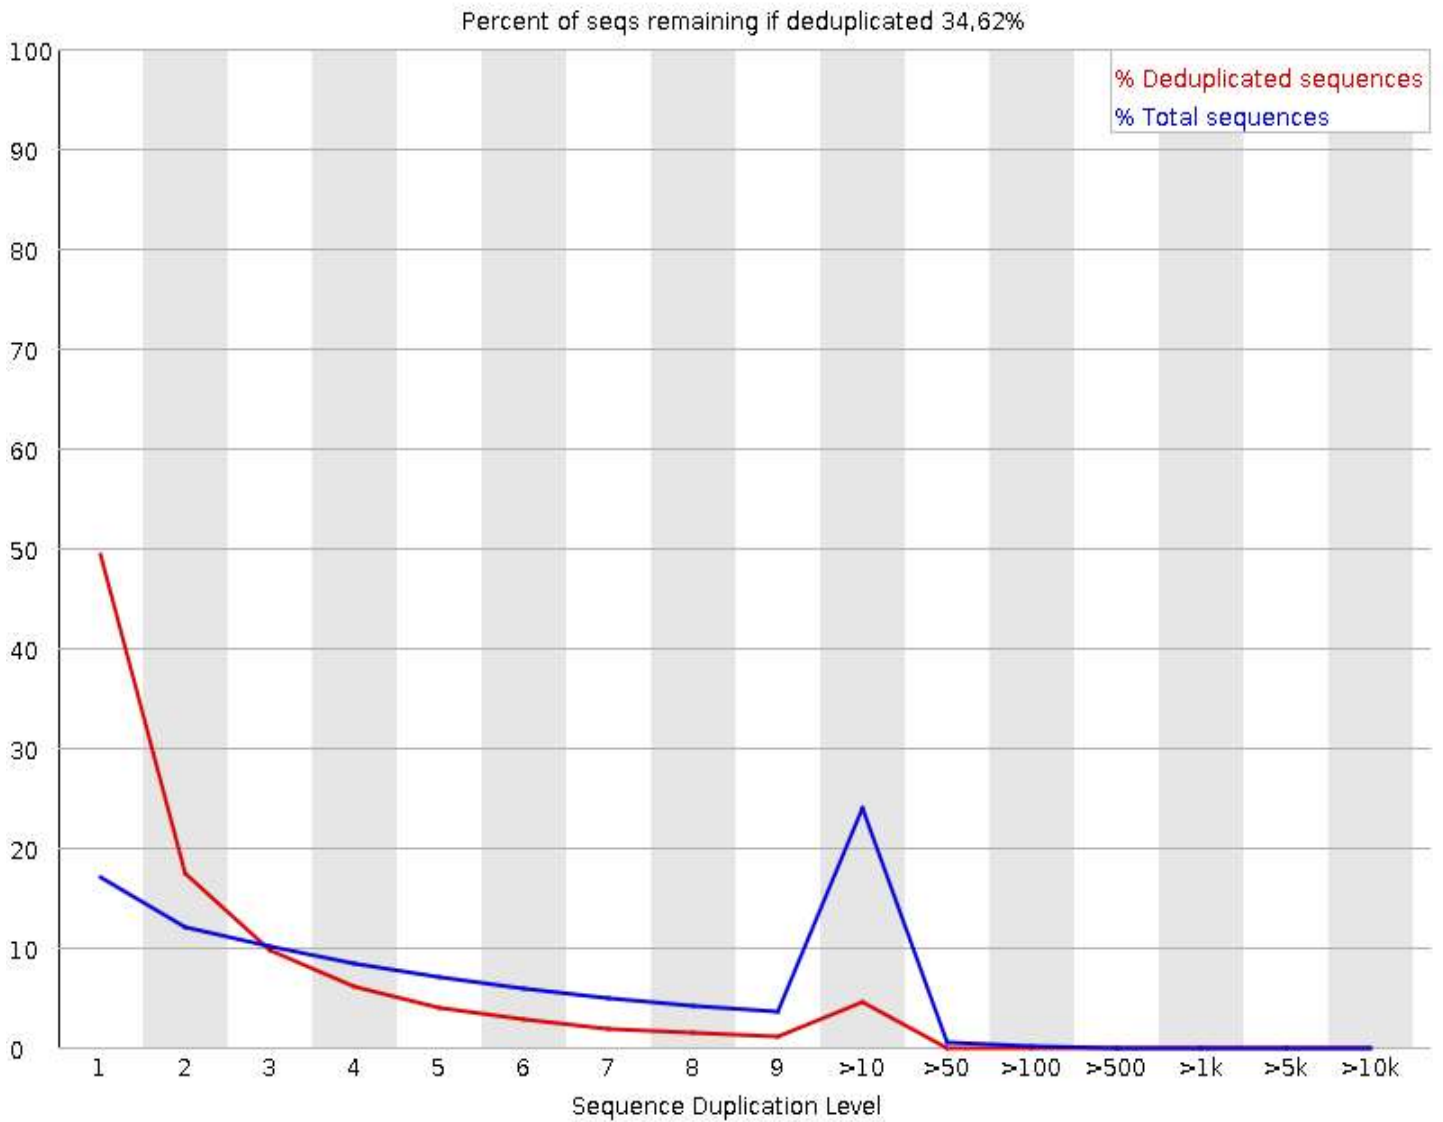

N content across all bases

! Sequence Length Distribution

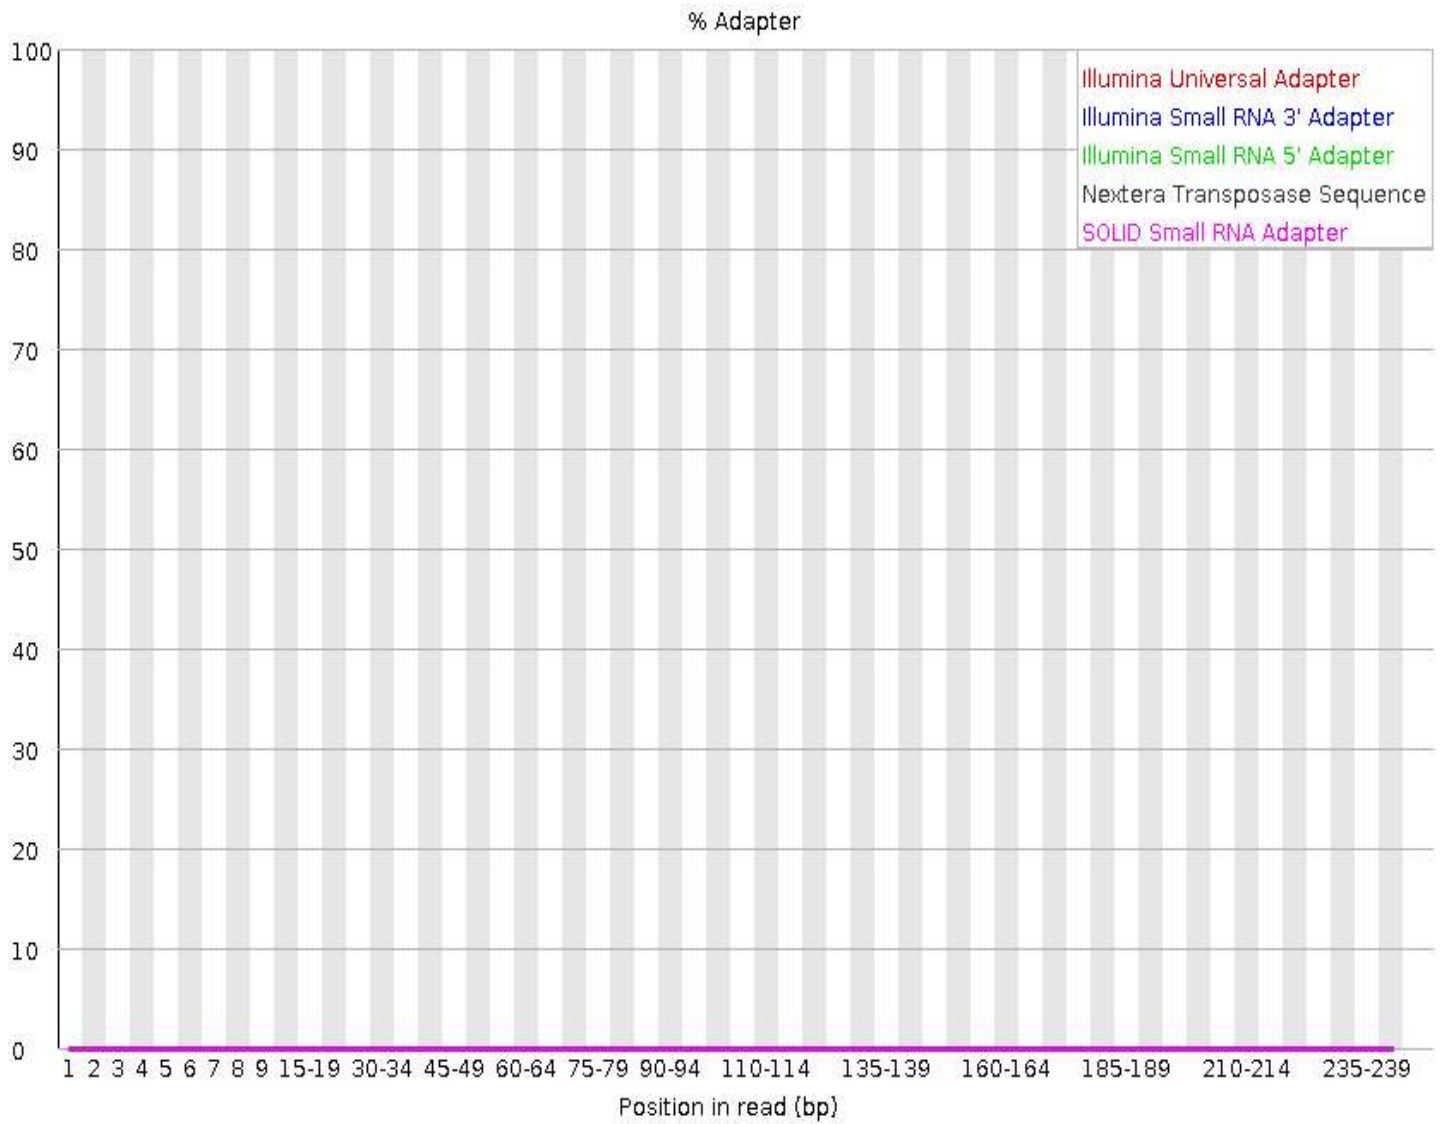

✘ Sequence Duplication Levels

✔ Overrepresented sequences

No overrepresented sequences

Adapter Content
